Involvement

Garry Evans

We are scheduled for a wonderful week of singing services here at Glendale Road. This Wednesday during class time we will resume our Wednesday evening singing in the Semper Fi classroom. Several classes join on that Wednesday evening to praise God in song.

Also, the way the dates work out this month, we will be having our scheduled Sunday evening singing this Sunday evening. If you have songs for Sunday evening, either text Derek or email him and I am sure he will try to include them Sunday evening.

Relief

History records food shortages from AD 45–47, during the reign of Emperor Claudius, who began reigning in AD 41. Sometime before the famine, one of the prophets of the church (Agabus) demonstrated by the Holy Spirit that a famine would afflict the whole world. Luke, writing in hindsight, makes a record of this fact for no other reason than to demonstrate the communal way the church looked out for sister congregations (Acts 11:27–30). Jerusalem wasn't that far from Antioch, so prophets made the journey.

On the other side of the world, our brethren have suffered in Ukraine due to an invasion. Thankfully, we have the mediums of communication we have and the ability to be apprised of the developing situation. For years, this congregation has supported Harvey Starling's work in Romania through the Midway Church of Christ in Jasper, Alabama. This congregation's generosity has so touched me. Whenever you've known of a need, you've always stepped up.

You all have contributed a little over \$50,000 to be disbursed to the Romanian congregations. These sister churches are aiding Ukrainian refugees as they are able. Because of your benevolence and love for the Lord and his people, you have made the load a little easier for our brothers and sisters. Though the circumstances aren't favorable, it may be that the Lord works through them to lead others to faith in him. We can only pray for such an increase.

In addition to the monetary gifts you've given, you also donated enough supplies that our C20 group filled 103 five-gallon buckets that will be handed off to Healing Hands International. They will see that these buckets of supplies make it to Ukraine to help those still in the country. Perhaps you couldn't donate either money or supplies. Maybe you couldn't even help stuff the buckets. However, you've significantly contributed to the relief if you have prayed. There's no telling how God has answered those prayers. Whether you contributed physically or spiritually, you have contributed. Thank God for you and the hearts he has given us all in Christ.

Steven

LIBRARY *E. Bailey*

“Hollyweird”

Although it was published 30 years ago, Michael Medved’s 1992 *Hollywood vs. America* remains one of the late 20th century’s most significant books. Medved is a world-renowned film critic and commentator on Hollywood’s influence on the thinking of modern America.

The book’s subtitle is “*Popular Culture & The War on Traditional Values.*” One of Medved’s purposes was to examine how and why Hollywood became so hostile of traditional, conservative values. Naturally, the book was not received well by the leftists who had a firm control of the single most influential influencer of modern American culture.

In light of the recent shameful scene at the Academy Awards, Medved’s book is perhaps more pertinent than ever. The book # is 973/Med/1992.

YOUTH Jacob Vaughan

Quite a few of our families are on Spring break this week. Just wanted to wish you all safe travels and great weather wherever you end up. Don’t forget to let God shine in your lives. Perhaps you can bring someone you will never see again to his awesome presence and glory. Each day is a wonderful gift, don’t let one pass without caring for one another, especially with those you only have a short while with. Be the example that allows others to know who God is. Love you all!

THANK YOU NOTES

Thank you so much for all you did to help us honor our mom, Jo Farley. Steven and John's words were comforting, and the meal was exactly what we needed to nourish body and soul.

~~~~~

Thank you for the beautiful plaque in remembrance of the passing of my daughter. Also, for the visits and cards while I was at Spring Creek for rehab. I am at home now and improving but continue to remember me in your prayers.

Lavelle Stone

~~~~~

Words cannot really express how much we appreciate everything you have done for us since the tornado destroyed our home of 32 years in Benton. Your actions have demonstrated servants' hearts – everything from digging through debris to find precious things, patching up what was saved, loading, hugging, checking on us, praying for us – to giving gifts and financial support. Thank you for everything!

God is good...all the time! He has blessed us with a new home in Murray!

Mark and Deborah Rogers

~~~~~

Thank you so much for all the condolences received at the death of my sister. The cards, calls texts and verbal sympathies are all appreciated.

It does make it easier knowing so many care and are praying for me.
