-March 3, 2026-

Last Sunday Garry announced his resignation; he chose last Sunday because it was when his family could be here. He did not know at that time what date would work best but after talking with his family and with some of the Elders this past week, the date of February 28th was chosen and agreed upon. Garry has served here for nearly 33 years. His unselfish service here is greatly appreciated and we all wish him and Leah the best going forward.

Garry plans for Leah and he to continue to worship with us here and he plans to continue to serve as a deacon. We look forward to continuing to serve with him and worshipping with them as we move into the future.

We want to say thank you to Leah and the girls for sharing their husband and father with us all these years. We want to thank Garry once again for his devotion to this congregation and this community through these many years.

Library *E. Bailey* **1925 School Map**

In response to a recent question about a particular one or two room school that existed out near Hazel, I dug my Calloway County School, 1925 map out of storage and have brought it to the church office for anyone who has an interest in an old school. We may have it permanently hung somewhere for the use of future generations.

On the eve of school consolidation, there were approximately 80 country schools in Calloway and the local expert on these schools is Debbie Jones Bell upon whose research this map was based. The precise location has now been lost on many of them.

These schools served an important chapter in public education both here and in other locations. By today's standards they were PRIMITIVE but they taught several generations of Calloway Countians the basics that, at that time, were essential to getting along in their fast-changing world. Most of them were shut down in the 1920s and 1930s with a couple surviving until after WW2.
