**Continued from last week...
Some ways that just might help
us be even happier that we are
right now...**

Be forgiving. 'But if ye forgive not men their trespasses, neither will your Father forgive your trespasses' (Matt. 7:12).

Be fair. 'Therefore all things whatsoever ye would that men should do to you, do ye even so to them' (Matt. 7:12).

Keep self free of envy. 'Love envieth not' (I Cor. 13:4). "9.

Refuse to spread gossip. 'Thou shalt not go up and down as a talebearer among thy people' (Lev. 19:16).

Be a peacemaker. 'Blessed are the peacemakers: for they shall be called the children of God' (Matt. 5:9).

Love. If I 'have not love, it profiteth me nothing' (I Cor. 13:3).

Have A Blessed Week

Words Have Meanings

Let's say I was in the company of different people from various backgrounds. Then, I ask, "Raise your hand if you've been baptized." Hands go up all throughout the group. "This is great!" However, many of these people mean different things by that. I can't just assume they mean what I mean because things are taught differently. Some believe their baptism was charismatic, and they were "baptized" with the Spirit of God. Others had water poured on their foreheads by a cleric, and they called that baptism. If we just went with what others meant, we may not fully understand as they do.

Whenever I read Scripture, I look at the English translation as we all do. Still, I also look at the original text in Hebrew for the Old Testament and Greek for the New Testament. I do this because I don't want to understand how we see things, but I want to try to get into the mind of the people in that time. When they used the word "baptize," it invariably meant the complete plunging of something. In our case, it's a person. In other cases, a dyer of garments would baptize the garment in a vat of dye. The garment went into the dye in its natural state but emerged differently.

The same can be said of the term "pastor." I'm still tickled by the Christians here who still refer to me with that term even after I have taught the word several times over the years. In their mind, whoever does the preaching is the pastor. Sometimes that's the case, but most of the time, it's not. When I was last a member and not a preacher at a congregation, the preacher was a pastor. He was both the minister of the congregation and one of the elders, so he was a pastor. There's never *the* pastor in the New Testament, but *a* pastor—or bishop, overseer, and elder.

Some people may think it tedious and nitpicking that I offer word studies here or there. But, I have actually found that many people enjoy them because they shed light on Scripture. Yet, the reason I offer them is so we can better understand Scripture and appreciate it. Words matter and the inspired Word of God was carefully chosen to communicate as God wished it.

LIBRARY E. Bailey **Tennessee**

Those of our number who have an interest in the history of the Restoration Movement in Tennessee may wish to read one of the following books that we have in our collection:

Standing for their Faith: A History of the Churches of Christ in Tennessee 1900-1950 by William Woodson. Based on a piece of research that Woodson did for his doctorate, this short 175-page book is a surface treatment of the subject and, as the title states, covers only 50 of the past 200+ years of the Churches of Christ in Tennessee. The book # is 286.6/Woo/1979.

In 1971, church historian, Dr. Herman Norton, published his landmark 309-page book titled ***Tennessee Christians: A History of the Christian Church (Disciples of Christ) In Tennessee.*** Although the book's focus is on the Christian Church section of the movement, there is much good material for us as well. 286.6/Nor/1971

YOUTH **Jacob Vaughan**

Hello from WKYC!!!! We have a vast number of our Glendale youth here this week and we are having a blast while growing closer to God and each other. The main theme for this week is all about "Names." I would explain it more to you but I am hoping you will ask the kids once they get back and here from them first hand.

We will leave for Teen Week of WKYC this Sunday and will depart at 12:00 from the Glendale parking lot. We will be back Saturday the 25th. We have provided a discount code for all members of Glendale. If you are in need of the code, please reach out to me at 270-293-4237 and we will get you hooked up.

The Canoe Trip signup has also been posted on the youth board. June 27th is the date that we will be making this adventure. It will be a very long day where we leave early in the morning and will return later that evening. You will need to bring money for canoe rental and two meals. Pack a lunch that will be eaten on the river and bring a change of clothes and shower supplies, so you won't smell like a wet dog when we get off the river. This is an amazingly fun trip that is meant for more than just the members of our youth group.

The Holiday World trip is being moved. Stay posted for a new date.

Sink or Swim is coming up at the end of July. There will be a sign up posted on the youth board and we will need a final count by early-mid July.

“Rejoice, Give Thanks, Pray”
